Hello Jim

Thanks for sending this file over.
Unfortunately, we will not be able to use this file for the following reasons:

- It is a raster based file
- It is very low in resolution
- It is not layered

Please email us a vector based file.

Mike,

I received our security company's logo and the ID number that needs to be put on the rear of the vehicle. The number does not need to be large and should read "**PPO# 15736**" Logo attached to this message. Please advise if there is anything else you would need, and if not could a design be ready for our review/approval within the next two weeks? Thanks.
